CHAMPIONZONE 9 HOLE WINTER FLEX LEAGUE

Cooler Nights. Hotter Competition. Always 70° Inside.

December 1 to March 15, 2027 | Two-Player Teams | 12 Regular Season Rounds

Snow will be falling outside very soon, but inside ChampionZone it's still a perfect 70° with zero wind and zero excuses. The **9 Hole Winter Flex League** brings your two-player team back to the tee box for 12 rounds of competition on legendary courses, with a Kick-Off Week and multiple League Appreciation Nights along the way.

We have entered into a new partnership with **Golf Genius** for the ChampionZone 9 Hole Winter Flex League. This integration will improve the experience across registration, format management, set up, handicaps, scoring, and a live leaderboard. We're excited to hear your feedback along the way.

HOW THE LEAGUE WORKS

LEAGUE FORMAT: TWO-PLAYER TEAMS

SCRAMBLE	BEST BALL
Both players hit; the team plays the best shot until holed. Ultimate team format.	Each player plays their own ball; the team takes the better score each hole.

Formats alternate week to week between Scramble & Best Ball all season long.

LEAGUE SET-UP DETAILS

- **Tees:** Play from tees appropriate for your game. League Manager will validate Tee choice.
- **Handicap:** A rolling handicap keeps the league fun & fair.
- **Mulligans:** 2 per team (Scramble) / 1 per player (Best Ball).
- **Gimme Circle:** 8 feet.
- **Golfzon player level:** Set to the middle difficulty setting, which is "Pro".
- **Cadence:** Expected League play cadence is 1 Round per week…with flexibility built in. Please try to stay current.
